The total aggregate liability of the Forum to the Contracting Entity for any breach of the Agreement shall not exceed fifty per cent (50%) of the Contribution.

The Contracting Entity's liability for breach of clauses 8. "Confidentiality", 9. "Data Protection", 11.1. "Use by Contracting Entity of Forum Entities' Intellectual Property and names" is unlimited.

14.3. **Notifications.** For specific operational activities, the Contracting Entity shall nominate the appropriate contact person(s) to whom the Forum shall deliver any notice necessary for the performance of the Agreement. This approach

optimizes the Contracting Entity's engagement with the Forum throughout the year.

The Contracting Entity undertakes to notify in writing any change of the Contracting Entity's contact person(s) to the Forum in due time.

The Forum will designate one Forum Relationship Manager who will be dedicated to the Contracting Entity to enable smooth cooperation.

14.4. **"No Partnership".** Any use of the terms "Partner" or "partnership" to describe the relationship between the Parties (including but not limited to the use of such terms in the Agreement, in any Event materials, on the Forum website, reports, etc.) refers only to the spirit of cooperation between the Parties. Nothing in the Agreement or in the business relationship between the parties shall be construed as creating or implying a partnership within the meaning attributed to such term in Articles 530 *et seq.* of the Swiss Code of Obligations, joint venture, employer-employee relationship, franchise, agency or other form of legal association between the Parties.

For the purposes of the Agreement, force majeure shall mean any circumstance beyond the reasonable control of the Party claiming force majeure, which prevents or impedes the due performance of the Agreement by that Party, including but not limited to acts of God, fires, floods, hurricanes, earthquakes or other natural disasters, adverse weather conditions or the consequences thereof, epidemics and/or pandemics, explosions, riots or civil commotions, wars, hostilities, acts of terrorism, restraints of government, governmental actions, embargoes or boycotts, denials of the use of any railway, road, port, airport, shipping service or other means of public transport, or labour disputes or disturbances.

As a result thereof, the Contracting Entity expressly acknowledges and recognizes this principle as key to interpreting its rights and obligations under the Agreement.

14.7. **Entire agreement.**

14.7.1. The Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior proposals, agreements, understandings,

representations and communications, whether oral or written.

- 14.7.2. The general conditions of purchase or sale of the Contracting Entity shall not apply to the Agreement (whether transmitted with a purchase order, when payment is remitted or otherwise).
- 14.8. **Amendment.** No modification, alteration, deletion or addition to the Agreement or any of its provisions shall be binding and valid unless agreed to in writing by means of amendment and signed by the duly authorized representative of both parties.
- 14.9. **Assignment/subcontracting**

- 14.9.3. Notwithstanding the above, the obligations of the Forum pursuant to the Agreement may be performed by or in cooperation with the Forum LLC, in whole or in part.
- 14.10. **Rights of the Forum LLC.** The Forum LLC may enforce some of the provisions of the Agreement despite not being party to the Agreement, provided however that the Parties to the Agreement may vary the terms of the Agreement without the consent of the Forum LLC. The rights afforded to the Forum LLC shall be in addition to any other rights the Forum LLC may have.
- 14.11. **Waiver.** Either Party's failure to enforce any provision of the Agreement or to exercise any of its rights hereunder shall neither constitute a waiver of such provision nor prejudice such Party's rights to enforce such provision at any subsequent time, unless a written waiver has been signed by such Party's duly authorized representative and has been communicated to the other Party.
- 14.12. **Severability.** In the event that one or several provisions of the Agreement are or become invalid, unenforceable or impracticable, the remainder of the Agreement shall not be affected. The Parties shall agree appropriate provisions to replace any invalid, unenforceable or impracticable provisions, or to filling an omission, of the Agreement by a valid and practicable provision which comes as close as possible to the purposes both Parties intended with the initial provision or which corresponds to that purpose which, according to the sense and purpose of the Agreement, the Parties would have intended, had they considered the matter.
- 14.13. **Extended meanings.** In the Agreement, words importing the singular number only include the plural and vice versa, and words importing any gender include all genders.
- 14.14. **Sections and headings.** The division of the Agreement into articles and sections and the insertion of headings are for the convenience of reference only and shall not affect the interpretation of the Agreement. The terms "hereof", "hereunder" and similar expressions refer to the Agreement and not to any particular article, section or other portion of the Agreement and include any agreement or instrument supplemental or ancillary hereto.

- Similarly, if we have collected and process your personal data with your consent, you can **withdraw your consent** at any time. Withdrawing your consent will not affect the lawfulness of any processing we conducted prior to your withdrawal, nor will it affect processing of your personal data conducted in reliance on lawful processing grounds other than consent.
- You have the **right to complain to a data protection authority** about our collection and use of your personal data. For more information, please contact your local data protection authority.
